A woman with long brown hair stands on a wooden balcony, looking out over a beach. She is wearing a light blue dress with a bold tropical print of green leaves and blue flowers. The dress has a V-neckline and a knot detail at the waist. She is also wearing green woven sandals. The balcony has a wooden railing and a large window in the background showing a beach with umbrellas and the ocean. The text 'SUMMER VIBES' is overlaid in the center in a white serif font, with horizontal lines underlining the words.
